SAFETY OBSERVATION FORM

Safety Observation Form Process

Upon being allocated your first shift through Pinson TM Limited you will receive the following form:

This is to be completed by the candidate and forwarded onto Pinson TM Limited on the below email address:

Hello@pinsontm.co.uk

When working for a client of Pinson TM, you are required to follow the clients RAMS, Method Statements, Health & Safety and Company Policies. You may also be required to complete the clients "Safety Observation Form", as well as Pinson TM's "Safety Observation Form".

The purpose of the "Safety Observation Form" is to allow Pinson TM to communicate with the client, and to advise of any incidents or near misses. This will be communicated via email with the client.
